## MALUTI MISSION UPDATE

SAS is proud to be a part of a global church / educational system that is unified in helping those in need. In partnering with the North American Division (NAD) and other Adventist schools across the division a goal was set to raise \$250,000. Our goal was to collect \$7 from every student or raise a \$1000. I am please with those children and parents who choose to make this a priority. In fact one parent gave a check for \$50. To date SAS has collected \$250. However, SAS will be collecting funds for another couple of weeks.

## SLIGO'S FAMILY FUN DAY

Sligo has tried to create a unified cooperative student body through a unique concept of dividing the student body into small family groups. Each teacher is responsible for being a sponsor of a family group. In the morning the families sit together and on Friday's the meet in their teacher sponsors home room. By creating family groups, Sligo has tried to create awareness of various age groups within the student body to encourage mentoring between older and younger students.

## SLIGO LIONS SOCCER GAME

The Sligo Lions hosted Forcey for their second game of the season. The boys had a hard time keeping up the defense and the Forcey team skated to a 6 - 0 victory. At the same time, the 2010 8th grade class was busy selling ice cream cones and sundaes along with other frozen treats in an effort to raise funds for their class trip. One fourth grade student made the decision to have her ice cream after her game instead of before so she

wouldn't ruin her game. The 8th graders and Miss Melbourne were very impressed by that decision. The girls' game was a nail-biter staying 0-0 for 99% of the game. In fact Forcey scored in the last minute of the game. Coach Germain was overheard saying the girls fought hard. The next Sligo Lions game is an away game at Beltsville. Come on out and support them.
