WEEK OF PRAYER—PASTOR TAPP SPEAKS FROM THE HEART

Last week the Sligo School family was blessed to have Pastor Charles Tapp, the Senior Pastor of Sligo Church, speak for our Week of Prayer. His theme for the week was “God Can Use Kids Too!” He also brought a wrapped prayer box and encouraged students to place their prayer requests and praises inside. Every day he prayed for those requests as the box traveled from classroom to classroom. The box shows God’s willingness to accept all who come to Him.

STUDENT PERSPECTIVES ON WEEK OF PRAYER

This Week of Prayer was very interesting! I love Pastor Tapp’s prayers, his stories, and his “skits”, especially the way he makes all those funny sounds. I have been trying to remember Pastor Tapp’s stories, so I could tell my family. His stories, like the one about the young 10 year old boy who saved his little sister from a fire, were very touching and, in a way, speak to me and what I should, can, and will do to please God in my life.

I’ve enjoyed Week of Prayer. Pastor Tapp is a great role model for us and he is very entertaining. When he preaches, you don’t fall asleep; you actually want to know more and more. Everyday his story is interesting. He makes all of us laugh and have fun. The good thing is that the little kids can actually understand what he’s talking about. The prayer box is a great encourager of prayer, especially for the little kids. It makes them have faith and want to pray and talk to Jesus more. The stories in the Bible are very fun to listen to when he adds his own special effects to them and make them more understandable. The Week of Prayer this year was definitely one of my favorites.

I have really enjoyed Week of Prayer. I like the way he had stories to go along with the lesson. The idea of the prayer box is wonderful. It allowed us to put each of the prayer request in a box, so it could be lifted up as a family. His stories let us see what mistakes he made and allows us to learn from them.

Field Trip To Butler's Orchard

Tuesday, October 20th was the perfect fall day for Sligo's Kindergarten, First and Second grades to spend outdoors at Butler's Orchard. The annual field trip to a local orchard was fun for the students, teachers and the many chaperones that joined them. Students enjoyed experiencing the many fall activities set up at the orchard: a corn maze, a barn of hay for leaping, jumping and rolling, three large slides (the group favorite!), farm animals to pet, a water rubber ducky race, a hayride, choosing their own pumpkin from the patch and fresh apples to munch on. Good old fall fun was had by all!
